

well

At the end of the Two Weeks of Sacrifice, you can drop off your donation:

Monday, April 26, 11-1 on the Quad
Tuesday, April 27, 11-1 on the Quad
Wednesday, April 28, 11-1 at the Quad
Thursday, April 29, 11-1 on the Quad
Friday, April 30, 11-1 on the Quad

Donations may be made either in cash or by check, payable to the 1000 Wells Project (Those of you who belong to a participating club, fellowship, or dorm community may have separate opportunities to turn in their donations.)

Looking for additional (and simple!) opportunities to help the Davis 1000 Wells Project? Here are some easy ways to help:

Do you use Facebook? Join our Facebook group, *The 1000 Wells Project*, and invite your friends! Then, change your Facebook status, picture, interests—you get the idea—to let everyone on the World Wide Web know that you're helping bring clean water to Africa! Finally, paste this message onto your friend's Facebook walls: "Did you know that \$1 can supply one person in Africa with clean water for one year? Come check it out on the Quad, or visit www.davis1000wells.org"

Contact us. Let us know if you are a part of any clubs, organizations, or list serves—or just know a lot of people—who might be interested in hosting an event for the 1000 Wells Project. www.davis1000wells.org // twoweeksofsacrifice@gmail.com

love : well : two weeks of sacrifice

love : well

Dear Friend,

Thank you for joining our cause! You are uniting with other conscientious individuals in making water your only beverage for two weeks—donating money that would have been spent on other beverages (but we promise the sacrifice will be worthwhile) to the 1000 Wells Project. Since just one dollar can supply one person in Africa with clean water for one year, we ARE making a difference, one drink at a time! To date the Davis 1000 Wells Project has built two wells which are supporting approximately 9,000 individuals in Ugandan communities.

You will make our goal possible and the vision of the 1000 Wells Project come true—to bring African communities not only clean water but hope for the possibility of a better future! Join us, and together we WILL help save lives.

With purpose,

Two Weeks of Sacrifice Coordinator
twoweeksofsacrifice@gmail.com

Know. Love. Act.

Throughout your two week sacrifice, make sure you're telling others about why you've given up "luxury" beverages and how your sacrifice makes a difference. Here are some sobering facts about the global need for clean water:

2.2 Million Africans die annually from lack of clean water and sanitation. 70% of the victims are children under the age of five.

Those living with HIV/AIDS are also especially susceptible to these "opportunistic infections," like trachoma, guinea worm, cholera, hepatitis, and malaria.

Women walk up to ten miles a day to collect this unclean water for their families.

Local disease outbreaks force schools to close and children, especially girls, to lose out on education.

\$1 Can supply one person living in Africa with clean water for one year.

And yet...

Americans spend approximately \$50 billion annually on specialty coffee drinks, \$10 billion on Starbucks alone (Specialty Coffee Association of America) This could supply the entire population of sub-Saharan Africa with clean water for up to 60 years.

Americans now spend \$41 billion a year on their pets - more than the GDP of all but 64 countries in the world. (Business Week) This could provide the entire continent of Africa (est. population of 900,000,000 with clean water for over 45 years.

We cannot thank you enough for choosing to help us change this reality!
